KIDS' DAILY DEVOTIONAL

WHAT'S HAPPENING AT THIS POINT IN GOD'S STORY?

At this point in His story, God has been creating the world. God spent the first five days making light, seas, skies, plants, flowers, sun, moon and stars, all the things that swim in the oceans and fly in the skies. On the sixth day, God made the animals that walk on the land.

He made ALL of those things just by speaking! He said, "Let there be" and there was!

And then, God made people.

BIBLE READING

Genesis 1:26-31 and Genesis 2: 7-8

WHAT DO THOSE VERSES TELL US ABOUT GOD?

When God made people, He did it differently than ALL of the other things that he made. He made people to be in His own image, and He used the dust of the Earth and His own breath to do it! So, He made us to be part of the Earth (His creation) and a part of Him. How much He must love us! How blessed we are!

PRAYER

Dear God, thank you for making Adam and Eve, the first people. Thank you for loving people so much that you used your own breath to make us. Help us always to remember that we are a part of you and that you are our loving Father. In Jesus name, Amen.
